Math Club talk and bibliography Practice Assignment 5 Final Submission

**Directions:** Please use the following text as a template for a letter addressed to me for the final submission of your *Math Club talk and bibliography Practice Assignment 5*. In addition to submitting the .pdf, .tex and other files for your assignment in the `assignment5final` folder, also include the .tex file you create by writing a letter to me using the template (`assignment05finalcover.tex`) that contains the following prompts.

Dear Professor,

In this assignment, I am trying to...

In my first submission, I...

(Optional) Some of the feedback that I received from the UConn Writing Center on my first submission were ...

Some of the feedback that I received from my peers (classmates) in class on my first submission were ...

Given the feedback I received from from my peers (and the Writing Center, if applicable), I decided to...because...

Given the feedback I received from you on my first draft, I decided to...because...

For this final submission, I concentrated most of my efforts on...because ...

I think that the strongest parts of my assignment are...

I am especially proud of...

What I struggled with the most was...

Some things you may want to keep in mind as you read this assignment are ...

Sincerely,

Your Name
