## Things to do before applying for jobs

- Take hard classes in your major to set yourself ahead of the rest.

## Things to do before applying for jobs

- Take hard classes in your major to set yourself ahead of the rest.
- Develop skills and a place to show them off.

## Things to do before applying for jobs

- Take hard classes in your major to set yourself ahead of the rest.
- Develop skills and a place to show them off.
- Do internships, REUs, or independent studies.

## Things to do before applying for jobs

- Take hard classes in your major to set yourself ahead of the rest.
- Develop skills and a place to show them off.
- Do internships, REUs, or independent studies.
- Travel and network (make connections with people).

## Things to do before applying for jobs

- Take hard classes in your major to set yourself ahead of the rest.
- Develop skills and a place to show them off.
- Do internships, REUs, or independent studies.
- Travel and network (make connections with people).
- Have a 1-3 minute elevator pitch.

A job application could consist of the following:

A job application could consist of the following:

- Resume or Curriculum Vitae
- Cover letter
- Recommendation/Reference letters (or contact information of references)
- Examples of your work (Publication list, research preprints, teaching dossier, art portfolio, etc.)
- Undergraduate transcripts

# Job materials

A job application could consist of the following:

- Resume or Curriculum Vitae
- Cover letter
- Recommendation/Reference letters (or contact information of references)
- Examples of your work (Publication list, research preprints, teaching dossier, art portfolio, etc.)
- Undergraduate transcripts

In addition, for graduate school:

- GRE scores (Especially for the math subject exam or other subject exams)

## Job materials

A job application could consist of the following:

- Resume or Curriculum Vitae ← assignment 4
- Cover letter ← assignment 4
- Recommendation/Reference letters (or contact information of references)
- Examples of your work (Publication list, research preprints, teaching dossier, art portfolio, etc.)
- Undergraduate transcripts ← already in progress :)

In addition, for graduate school:

- GRE scores (Especially for the math subject exam or other subject exams)
- Transcripts
- Personal statement/ Statement of Purpose ← assignment 4

1. What do you think is the purpose of a resume?

1. What do you think is the purpose of a resume? To get an interview!

1. What do you think is the purpose of a resume? To get an interview!
2. What should/should not appear on a resume?

## Some helpful resources

- Resume advice from UConn Career Services website: <https://career.uconn.edu/resume-and-cover-letters/>
- Resume advice from Purdue OWL website: [https://owl.purdue.edu/owl/job\\_search\\_writing/resumes\\_and\\_vitas/index.htmls](https://owl.purdue.edu/owl/job_search_writing/resumes_and_vitas/index.htmls)

finally found the square root!
