

Name: _____

Final paper (final version)

Directions: Please use the following text as a template for a letter addressed to me for the final submission of your *final paper*. In addition to submitting the `.pdf`, `.tex` and other files for your assignment in your Overleaf project, also include the `.tex` file you create by writing a letter to me using the template ([finalcover.tex](#)) that contains the following prompts.

Dear Professor,

In this assignment, I am trying to...

In my first submission, I...

Some of the feedback that I received from my peers (and the Writing Center online tutorial, if applicable) on my first submission were ... (please elaborate in a paragraph)
Given the feedback I received from from my peers (and the Writing Center online tutorial, if applicable), I decided to...because...

Given the feedback I received from you on my first draft, I decided to...because...

For this final submission, I concentrated most of my efforts on...because ...

I think that the strongest parts of my assignment are...

I am especially proud of...

What I struggled with the most was...

Some things you may want to keep in mind as you read this assignment are ...

Sincerely,

Your Name
